Weekend Thieves Hit Area Stores

15 Thefts Include 9 At Business Places; One Auto Is Stolen

Burglars specialized in hitting commercial establishments in the Quad Cities over the weekend, including a tavern in Madison, a drug store in Venice and four stores in Granite City.

Coin-operated machines also were looted at a car wash and a laundromat and one auto theft was reported. A total of 15 thefts was reported to authorities since Thursday.

Burglars got several hundred dollars and three bottles of whiskey in a break-in early Saturday at Tony & Joe's tavern in Madison, a drug store in Venice and four stores in Granite City.

Dynamite Bomb Is Found by Boy Near Starch Co. Plant

Three sticks of dynamite, taped together and fused, were found in a vacant lot near the Union Starch & Refining Co. plant Thursday evening, Granite City Police Chief Ray Willard disclosed today.

The dynamite, found by a small boy, was turned over to police a matter of hours after an explosion, believed to have been caused by dynamite, occurred inside the starch plant fence about 25 feet from the company's transformer substation and power plant. The blast blew 13 windows out of a building across the street, occupied by Vice's tavern at West 20th street and Illinois avenue, but caused no damage to the plant.

Willard pointed out the extreme danger of such an incident. He noted that a small child, not knowing the lethal danger of such an object, would have thrown it in a fire or otherwise caused it to explode while playing with it. He said the dynamite was found in the lot near Vice's tavern, between Illinois and Dewey avenues. The dynamite has been sent to the Illinois Crime Laboratory for processing.

The blast at 1:30 a.m. last Thursday failed to damage plant property when the bomb fell between the fence and a freight car, instead of landing close to the substation. The bomb was thrown over the plant fence by two men who were seen fleeing the place just a short time before the explosion.

Another meeting Set
Meanwhile, another meeting between company officials and representatives of the striking Oil, Chemical and Atomic Workers Local 7-663 has been scheduled for 1 p.m. Thursday in the offices of the U. S. Mediation Service in St. Louis. The strike now is in its 30th day.

A meeting with the mediation service Friday lasted only a few minutes, breaking up without progress. The discussion of a new package proposal that had been offered by the company.

Thursday's meeting was expected to be attended by Cecil Martin, Belleville, international representative of the union, and a public hearing would be required to establish the zoning plan is effective.

Explains First Step
Hartman explained that the first step to be taken by the city would be the passage of an ordinance creating a planning and zoning commission. This commission then would prepare the plan and the working details of a zoning system, followed by appointment of a zoning board of appeals. A public hearing would be required to establish the zoning plan is effective.

Although no definite steps were taken toward preparation of an ordinance, Mayor Lee told the council that he believes the plan should be considered immediately.

"Unless we set up our own commission and zoning system," the mayor said, "we will be under the county zoning board, and I don't think we want that."

The council passed an ordinance specifying that on Tuesdays and Wednesdays for street sweeping operations and banning parking on the streets between 8 a.m. and 11 a.m. on Tuesday, and between the hours of 10 a.m. and 4 p.m. on Wednesday, the ordinance prohibits parking on the west side of north-south streets and on the south side of north-south streets from Bissell street north to the city limits between 8 a.m. and 11 a.m. on Tuesday, and between the hours of 10 a.m. and 4 p.m. on Wednesday.

Venice Studying City Need For Zoning

New State Law Would Give Power to County Unless City Has Code

Tentative plans for setting up a system of zoning and planning for the city of Venice were discussed Friday night by the Venice city council. Dr. John E. Lee, mayor, told the council that he believed a zoning ordinance and appointment of a zoning and planning commission should be undertaken as soon as possible.

Consideration of a zoning plan was placed before the council after Mayor Lee informed the council of the passage, and approval by the governor, of a new state law providing that county zoning commissions shall have jurisdiction in the zoning and planning of all lands and properties in the county except in municipalities, which have their own planning and zoning laws.

This law, the mayor explained, places Venice under the jurisdiction of the Madison County Planning and Zoning Commission as long as Venice has no zoning ordinance of its own.

Harry Hartman, Venice city attorney, told the council that "this is not a matter to be taken lightly. It takes a lot of work to set up a zoning and planning system and takes a lot of hard work by the commission when the plan is effective."

SIU-SW Class Designed for Shift Workers

Shift workers in industry, whose rotating schedules have made it impossible for them to take technical courses they need for advancement in their jobs, will now have that opportunity under a program set up by SIU-SW.

Beginning this fall, the Technical and Adult Education Division of Southern Illinois University will make special provisions for these workers to enroll in its regular evening classes leading to a two-year certificate in industrial management.

Each of the 10-week courses to be offered will meet one evening a week from 10 to 11 p.m. beginning Sept. 20 in the senior high school buildings at Granite City, Alton and East St. Louis. When a worker has to miss a class because of his job, he will be given a special assignment to complete at home. If it is done satisfactorily, it will count the same as a class attended.

To devise a system which would fit the schedules of as many shift workers as possible, a special committee of students of different work shift rotation systems. Among these were shifts that rotated backward, forward, two-shift operations, three-shift operations, seven-day and five-day operations, as well as many others.

Perhaps the most unusual shift work system which turned up was the "Tone-see-Week-end," an arrangement by which an employee periodically gets a long weekend off to visit relatives who do not live in the area.

Even this type of shift worker will be able to attend the SIU-SW industrial management courses, which will include cost control, current labor law, labor-management relations, effective speaking for supervisors, industrial report writing, quality control and a number of others.

The 15-hour-old boy was booked on a charge of curfew violation.

Field Catches Fire
A field owned by East St. Louis & Interurban Water Co. was set ablaze by a trash fire about 6:20 p.m. Sunday in the 2400 block of Logan street. Firemen from the West Granite station spent 25 minutes at the scene to douse the flames. There was no damage.

The following are recovering at St. Elizabeth Hospital from injuries they suffered since Thursday:

Nameoki Township Votes Tomorrow On Sewer Bonds

Press-Record Staff Will Compile Returns

The Press-Record news staff will compile returns for tomorrow's \$1,900,000 sewer bond issue election in Nameoki township.

The newspaper office will be open to receive election results from the four Nameoki township precincts and the staff will relay the information to interested individuals.

Polling places close at 6 p.m., and with the "yes" and "no" ballot, the results should be known by 8:30.

Town Board Meets In Special Session On Bond Election

Nameoki town board members met in a special session Friday evening to combat opposition to tomorrow's \$1,900,000 revenue bond issue referendum for construction of sanitary sewers and to further outline the possibility of the township obtaining a federal tax grant for about half the total cost of the project.

Supervisor Harry Briggs called upon the township's bond attorney, John Githoff, for an explanation based on information obtained from Congressman Melvin Price.

Githoff told the board, "As we see it, the Nameoki township is eligible for the grant." He advised the board to adopt a motion stipulating that if the federal tax grant is received, the sale of the bonds will be limited to the amount needed for construction. The motion was unanimously approved.

The attorney assured the board that this would be called for in the construction. "That's required under state law for any project costing over \$500,000."

After the sale of bonds, following the outcome of tomorrow's vote, it was estimated by the engineer for H. W. Lochner & Co. that it would be six months before construction could be started and at least a year before any section of the sewers would be in operation.

The engineer set the tentative costs per household at \$50 for a tap and \$35.00 a month rent for the sewer. "These could vary," he added. Originally, and without a federal tax grant, the cost was set at \$100 for a tap and \$46.00 a month rent for the sewer.

"We must pass the bond issue to be eligible for the federal tax grant," Briggs said.

Following the special meeting, Briggs issued the following prepared statement:

Text of Statement
"The study made by the attorneys and engineers reveals that the sewer project is a sound investment and will pay for itself in the long run."

Hospital to Obtain Alien Physicians for Emergency Dept.

Procedure to be followed in bringing several alien physicians to St. Elizabeth Hospital emergency department under a new law signed recently by Gov. Otto Kerner was discussed Friday afternoon in a meeting of the Health Committee of the Tri-Cities Chamber of Commerce and representatives of the hospital.

Authority to employ alien physicians is given in Senate Bill 1254 which amends the Medical Practice Act to provide limited licenses for non-citizens to practice medicine in hospital emergency rooms, such as that at St. Elizabeth.

Passage of the bill was brought about through efforts of the committee, and the support of local and county physicians and public officials. Previously, Illinois law prohibited medical practice by anyone not a citizen of the United States. The amendment limits the practice of non-citizen physicians in such cases to work in emergency rooms.

assistance with their programs ... nothing has changed."

Text of Statement

The statement continued: "The \$150,000 bond issue election will be held Tuesday, Aug. 24, 1965, and the taxpayers will be voting on this amount of money. If this ordinance No. 5 is accepted, the taxpayers will be in debt to the sum of \$5,000,000 for 40 years and the township board will have vast expansion powers vested in them. The voters' decision on the 24th should be based on reality, not suppositions; as there could be a long delay in obtaining federal funds. It is entirely possible that Nameoki township would not be eligible as it is not classified as a depressed area, nor does it have any federal housing projects under construction at the present time.

"Mr. Briggs pointed out ... in his article ... that Nameoki township 'appears' eligible but he does not have the facts to say that it 'is' eligible. There is no guarantee that the township will receive any federal funds for this purpose or what the rates eventually will be.

"Many agree with Mr. Briggs' statement that the citizens will be voting on a sewer program without knowing what it will cost. This has been one of the main objections to this program. The sewerage bond issue ordinance No. 5 stipulates \$150,000 with the invested power to extend as the board might determine.

"The township supervisor stated at the Oct. 22 town meeting that this sewer ordinance would not provide funds for storm water drainage. They are considering a storm water drainage program at a later date. How will this program be financed and what will it cost the taxpayers?"

Predict Court Action

"Present plans call for the treated water to be drained into Horseshoe Lake and the landowners of that area have indicated they will take court action to prevent this. If an injunction is granted stopping the township from using the lake as a drainage basin, what will be the additional cost to the taxpayers to provide an alternate catch basin for this purpose. Legal action can be costly and cause delay.

"The fact that the Lochner Engineering firm has the cost figure two days after passage of Federal Law Title VI in the town board possession verifies the thoughts of many Nameoki township citizens that this program was presented too hastily. "On this basis it is recommended by civic groups, various organizations and sewer committees that sewer bond ordinance No. 5 be voted down on Aug. 24 in order that the town board can research further federal aid and perhaps come out with a more feasible program acceptable to Nameoki township taxpayers with lower costs, including such things as competitive bidding.

Will Be Passed

"Let's not forget that Mr. Briggs stated 'This ordinance will be passed regardless of what you people say.' "To save taxpayers money, the voters are urged to reject the bond ordinance No. 5 and obtain all facts and figures pertaining to any assistance through a federal grant. If this amount of money is established, then the remaining amount that is needed to complete the sewer project can be submitted in the form of a bond issue.

"We sincerely hope that the supervisor and board members will heed these suggestions and follow through with their statements that appeared in the Aug. 12 issue of the Granite City Press-Record. We hope that their statements do not prove to be a pre-emption publication, or that at a later date they do not inform the citizens that there is no federal money available and their efforts were in vain."

THE WGNU CLUB DERBY!!

BY...MR. GNU

These are the standings for the Grand Prize money and the 1966 Buick Station Wagon in this Year's Derby as of Thursday, August 19. Again these are unofficial and are based on coupon turn-ins.

FIRST: Sequoyia Indians
Second: Madison Band Parents
Third: St. Elizabeth Alt Society
Fourth: St. Margaret Mary
Fifth: Boosters of the Fighting Warriors

On coupon turn-ins for the past week the clubs ranked in this order: St. Elizabeth Alt Society, Madison Band Parents, St. Margaret Mary, Sequoyia Indians, and Venice Ladies' Democratic Club.

The tremendous showing of St. Elizabeth in rolling up the big coupon point total this week shot them ahead of St. Margaret Mary for third place and hot on the heels of the two leaders.

On the other hand, the substantial margin by which Madison Band led Sequoyia this week on coupon points enabled Madison to cut substantially into the overall lead by Sequoyia and those two are as close as the fingers on your hand.

But St. Elizabeth and St. Margaret Mary are so close that it's anybody's race—or should we say—anybody's Buick??

The most surprising development of the week has been St. Margaret Mary's fall off to fourth place behind the big coupon collectors they placed—aside to Ann Graklagoff and Lesna Van Meter. What happened??

Who stipped the Bellemore Bakery receipt from Mary Margaret Crews's wedding cake. That's what Mary Lou McKinney of the Venice Democrats would like to know!!!

St. Josephs Parents and Friends is closing in on the Warrier Boosters for fifth and OES 50 DUV Tent 90, National Secretaries and Nite Officers are right behind...

Don't miss the big party at Friedman Furniture on September 10th. Being tossed by the crowd from Hoover—refreshments, gifts, FLTS 25 points per guest!!! Gets underway at 10 a.m.

AS of now—and until the END of the Derby—It's double points on shoes at Gamma every Tuesday, Wednesday and Thursday.

Seventy four from St. Elizabeth at the Rose Bowl smorgasbord last Tuesday... and quite a crowd from St. Margaret Mary on the lanes at Bowland last week—POINTS: POINTS: POINTS!

Those one thousand point parties at Merle Norman Cosmetics will clear a few hurdles for some of the clubs—check with Ruth Elmore at TR 7-8774.

Polish Hall Wins State Softball Tournament

Blanks Falstaff 10-0; Advances to U. S. Meet

Polish Hall won its second Illinois Amateur Softball Association state slow-pitch tournament in three years by downing the Falstaffs 10-0 in the title game last night at Wilson Park.

The new state champs now will compete in the "world" tournament starting Sept. 3 at Maumee, Ohio.

None of Polish Hall's four opponents in the meet could come within 10 runs of the championship club.

Opposing players seemed to be awed by the good hitters in

gies by Bill Duncan and Chuck Weiss.

Sam Georgeff supplied most of the punch for the winners by bunting out the game's only home run and a pair of singles.

In semi-final contests the Falstaffs upset last year's defending state champions, the A-C Contractors, 3-1, and Polish Hall won easily from Club Delmar 16-3.

The Contractors scored their only run in the first on a lead-off single by Bob Hofek, a double by Frank Hilde and Bob Page's sacrifice fly.

In the third the Falstaffs pushed all three of their runs across the plate. Chuck Weiss clouted a two-run homer in that inning.

Saturday Games

The scores of Saturday's games were Alton Mold Ship 11, Brentwood Barber Shop of Decatur 6 (in 14 innings); Mexican Honorary 14, Rozycki Realty 3; Falstaffs 9, Busey First National Bank of Urbana 6; Granite City Blast Furnace 8, Wilsonville 0; Club Delmar 16, Judd Lettering Service of Springfield 6; Ravens 6, Leeway Construction of Decatur 4; and Polish Hall 11, Champion-Urbana Contractors 1.

Home runs were hit in those games by Sam Georgeff of Mexican Honorary, Jim Rippey of the Ravens and Frank Scarsdale of Polish Hall, an inside-the-park one.

Friday's Games

In the opening game of the tournament Friday night Rozycki Realty downed Bunker Hill 16-2. The winner led 1-0 after four and a half innings of play but came up with nine runs in the bottom of the fifth and six more in the sixth to break it wide open.

Bill Simpson and Ira Martin came through with three-for-four performances to pace Rozycki's hitting.

In an exciting contest the Ravens and Larry's Corner traded blows with the former team emerging as the victor 11-9.

The Ravens held a 10-8 advantage going into the sixth. At that point the winners picked up four insurance runs and added two more in the final frame while Larry's could only score a single marker.

Top Sluggers
Top batters for the Ravens were Jim Rippey with seven RBIs on three hits, including a home run and a triple; Ken Mitchell with three hits, including a homer and a double; and Rich Franklin, who also smashed a four-bagger.

Leading hitters for Larry's were John Kipp, whose three hits included a home run and a double, and Bob Jones with a round-tripper and a triple.

The A-C Contractors encountered little difficulty in a 13-3 rout of the Junior Surrons of Springfield.

Jim Goodrich pitched a six-hitter and got credit for the victory. Sam Madonia of the Junior Currans had three of his team's hits with two doubles and a home run.

The Contractors' batting attack was led by Frank Hilde, who banged out three hits including a double and a triple, and Charles Johannigmer with two hits, including a homer.

In the Club Delmar-Polish Hall tilt the latter team's batting attack was spearheaded by Duff-Friend with four hits, Sam Georgeff with a round-tripper, and Stan Serwatka, who collected three hits, a double and a triple included.

Jerry Tague hammered a homer and a double for Club Delmar.

In other Sunday games the A-C Contractors slipped past Alton Mold Ship 6-4; the Falstaffs edged Mexican Honorary 5-3-4; Club Delmar defeated Granite City Blast Furnace 4-2; and Polish Hall outclassed the Ravens 13-3.

Charles Johannigmer smashed a two-run homer for the winners in the Contractors-Alton Mold Ship game, and Bill Seago rapped an inside-the-park home run for Club Delmar in its contest with the Blast Furnace club.

Polish Hall, Mexicans, Eagles, Rozycki Win In Open Playoff Tests

Sam Georgeff, slammed three home runs to lead the Polish Hall batting attack, which included a total of 27 hits, as his team breezed to an easy 23-7 win over the Falstaffs Thursday night at Wilson Park in the opening round of the Open League slow-pitch softball playoffs.

In other games Mexican Honorary, Rozycki and the Eagles each scored playoff victories also.

Other top batters for Polish Hall were John Konkovich and Ed Modrusic with two homers apiece and John Modrusic with one.

The Falstaffs had taken an early lead on a four-run uprising in the first inning, which included a round-tripper by Norm Meyers. The winners came up with two markers in the second and six in the third, and they were never behind thereafter.

Mexican Honorary downed Club Delmar 7-3 as pitcher Sunny Antoff held the losing team to seven hits. The winners held a 7-1 advantage after three innings of play and never relinquished the lead.

Leading hitters for Mexican Honorary were Andy Bashich, two homers, Joe Gonzales, three hits with a home run included, and Antoff, who also clubbed a four-bagger. Rozycki slipped by Union Starch 6-3. The winning team came from behind and scored a pair of runs after the first two batters were out in the last of the seventh. Garland Horn delivered the game-winning blow, a single.

Paul Mosby paced Rozycki's hitting with a four-for-four performance, two doubles and a triple included. Al Krance banged out three hits including a pair of triples, in as many at-bats for Union Starch.

The Eagles came up with a nine-run explosion in the fourth and coasted to a 13-2 win over Ill-Mo Claims.

Leon Holloway and Cliff Towery each had three hits in four at-bats for the winners. John Webster hurled a six-hitter and got credit for the win.

Larry Reader smacked an inside-the-park homer for Ill-Mo Claims.

STATE CHAMPS AGAIN. Polish Hall team members pose with the state slow-pitch trophy which they captured last night at the Wilson Park softball diamond in a 10-0 victory over the runner-up Falstaffs. Kneeling next to the trophy are bobby boys Tom Friend, Jerry Serwatka, Andy Miosky Jr., and Terry Serwatka. Team members kneeling are Ray Jones, Joe Vranian, Everett Cottrell, Joe Fedora, John Modrusic, Stan Serwatka, Frank Scarsdale and Andy Miosky, manager. Standing from the left are Norman Owca, general manager, Forrest Friend, Sam Georgeff, Bill Dink, John Measki, John Konkovich, Jerry Dusek, Ed Modrusic, Frank Modrusic and Dave Palmer.

CRAWLING ACROSS home plate at the top of the seventh inning in the Illinois State Slow-Pitch championship game last night is Polish Hall center fielder Sam Georgeff as Falstaff catcher Bob Garin waits for the throw from deep left field. The Polish Hall squad captured the trophy with a 10-0 win over the Falstaffs.

Park Plans Baseball Meet for Boys Loops

The Granite City park district will hold its boys baseball tournament for each of its divisions on Saturday and Sunday, Jerry Donley, tournament manager, announced. Eight teams will play in each of the seven, midget, bantam and juvenile divisions, with first-round games starting Saturday morning.

TC Speedway Driver Dies After Crash

The first fatal accident in the history of the Tri-City Speedway occurred Saturday night when a car driven by Terry Pritchett, 24, of Bethalto, was struck by another driven by Barney Jones in the super-modified feature race.

Pritchett died Sunday night at Barnes Hospital, St. Louis, following brain surgery. He never regained consciousness as a blood clot developed on the brain.

After his car was struck, it spun out between the first and second turns. A roll bar on his car broke and pierced his side. He received emergency treatment at St. Elizabeth Hospital before being transferred to Barnes Hospital.

Garlan Farless, operator of the track, said the young driver had been racing at the local speedway since it opened. Farless said there had been only one other serious injury there.

Chuck Lynch of Springfield won the supermodified handicap feature, followed by Bart Wilson and Ronnie Perkins. Taking heat races were Art Range, Kenny Range, Gene Hanner and J. Fleming.

Don Shanbuaun won the fender bender feature followed by Gary Rigot and C. Clippmeyer. The heats were taken by Rigot, Harvey Nichols and Clippmeyer.

A special podner puff race for the ladies will be held next Saturday night on a program to include the super-modifieds on the half-mile track and the fender benders on the quarter-mile track.

Local Youngsters Win Golf Trophies

Karen Corzelli and Melody Jones of Granite City and two former Granite Cityans, Ricky and Ellen Pershall, were among trophy winners in the annual junior golf tournament held last week at Sunset Hill Country Club.

They were among a field of 22 players. Other winners were Julie Malench, Jeff Bestow, Brent Wohlford, Bobby Binkis, Randy Schmidt and John Pershall.

MBC Wins Three Games; To Enter Muny Playoffs

Mathews Blue Circle won three of four games during the week-end, taking a twin bill from Trio Lounge at Wood River by scores of 4-3 in 10 innings and a 4-0 Saturday night, while splitting a pair with Thurner's Thursday night at Manchester, Mo.

On Thursday, MBC lost an overtime game 3-1 in eight innings and then came back with a 9-0 shutout.

At Wood River, Roger Smith tripled in the 10th inning and scored the winning run on a sacrifice fly by Babe Champion. Mel Tipton was the winning hurler.

Smith and Ed Heck each had two hits in a 10-hit attack by the winners.

Ralph Baker hurled a six-hitter in his 4-0 shutout. He struck out eight batters and walked none, while his teammates again came through with 10 hits, including three by Smith and two each by Ed Heck and Jake Hanters.

The first two markers came in the second frame when Hanters singled, Baker drove him home with a double and Smith singled. In the third, Vince Sautto was credited with an RBI.

MBC enters the St. Louis Muny playoffs at 9:15 p.m. Wednesday at Fox Park in St. Louis. The opposing team has yet to be determined.

No-Hitters Feature Boys' Baseball Title Games; 2 Home Runs

A no-hitter by Jeff Boyles of the Crewcuts highlighted boys' baseball activity in the area. Boyles hurled the gem against the Bobcats Saturday in the Nameoki Little League playoffs.

The Crewcuts took the championship contest by an 11-0 score. Mike Adams clubbed a homer for the winning team.

John Jennings of the Bobcats socked a round-tripper Friday as his team defeated the Shutterbugs 8-5 in a first-round game in the Nameoki Little League Playoffs.

Jim Parks and Ron Laws of Davis Funeral Home combined to pitch a no-hitter against Kozak's Saturday in the Granite City Park League playoffs.

Kozak's, however, won the championship game 3-1 in the Doc Coleman Juvenile Division.

Parks pitched all but one inning for the losing team.

Miss Michelle Lynn Hoy, James M. Strack are Wed

Bouquets of white gladiolus in tall stands and white satin bows marking the pews formed the setting Saturday at St. Elizabeth's Catholic Church for the wedding of Miss Michelle Lynn Hoy, a daughter of Mr. and Mrs. Clarence L. Hoy, 2309 Lynch avenue, and James M. Strack, whose parents are Mr. and Mrs. Benjamin M. Strack, Rural Route One.

The Rev. Lawrence J. Mattingly officiated at noon. The double-ring ceremony was used. Mrs. Francis Judd presided at the organ and furnished the accompaniment for her son, Richard, as he sang "Ave Maria" and "On This Day O Beautiful Mother."

The bride was lovely in a gown of white silk organza over tulle. The bodice was fashioned with an oval neckline and elbow-length sleeves. Embroidered rosettes interwoven with pearl beading adorned the waist and continued on the contoured skirt. Additional rosettes and beading trimmed the high rise court train. A veil of illusion was secured to a tiny lace and pearl crown and the bride held a cascade arrangement of white gladiolus and stephanotis.

The attendants, Miss Janet Dales, maid of honor, Miss Jane Strack, a sister of the bridegroom, bridesmaid, and Miss Barbara Vella, a cousin of the bride, junior maid, carried bouquets of shocking pink gladiolus. They were dressed alike in tulle pink crepe, the gowns styled with scoop necklines and elbow-length sleeves. The long slender silhouette skirts had flowing back Vateau panels of lace banded in crepe. Matching pink headpieces were in their hair.

A little flower girl, Michelle Reznack, niece of the bridegroom, wore a floor-length dress of white organza over tulle with a pink cummerbund and an attached bow. Her flowers were a nosegay of white and pink carnations. The bridegroom's nephews, Robert Hilker Jr., served his ring bearer.

Robert Strack was his brother's best man, and Michael Hoy, a brother of the bride, was groomsmen. Dennis Scherer, cousin of the groom, David Mills and Lawrence Rader acted as the ushers.

For her daughter's wedding, Mrs. Hoy was dressed in a light pink crepe dress, while the bridegroom's mother selected a powder blue tulle. Both wore white orchid corsages and accessories to match their dresses.

The wedding breakfast was held in the church hall and friends of the couple attended an evening reception at the VFW hall. The newlyweds will honeymoon in the east and upon their return will reside in Granite City.

The former Miss Hoy was graduated from Granite City high school and presently holds a secretarial position with General Steel Industries. While in high school she participated in Modern Music Masters, Girl Athletic Association and Junior Achievement.

Mr. Strack was graduated from Assumption high school in East St. Louis and attended Southern Illinois University and Southeast Missouri State College. He too is employed by General Steel Industries.

Mrs. James Hoy presided over the guest book at the reception. Others assisting were Mrs. Louis Reznack and Mrs. Robert Hilker, sisters of the bride.

Following the rehearsal Friday evening the wedding party and families were entertained at the Hoy home. Among those from out-of-town attending the wedding and reception were Mr. and Mrs. Philip Urbin, maternal grandparents of the bride, and an uncle and aunt, Mr. and Mrs. Dominick Vella and their family, all of Milwaukee, Wis. Other relatives came from Cape Girardeau, Charleston, Orem and Chaffee, Mo., Chicago and Joliet, Ill., and Detroit, Mich.

Shower Honors Miss Weber

A miscellaneous shower honoring Miss Diane Ruth Weber was given Sunday afternoon at the Rose Bowl by the young women who are to serve as bridesmaids at her wedding Sept. 11 to Roy J. Koberna.

Miss Weber, a daughter of Mr. and Mrs. Edwin Weber, 529 Jefferson avenue, Venice, The wedding of the couple will take place at Concordia Lutheran Church.

An aquamarine and white color scheme was used and there were attractive heart favors for all. Hostesses were Barbara Wilson, Anne Marie Rault, Dorothy Wilkinson and Joyce Daniels. Refreshments were served to about 40 guests.

Old Timers Club Holds Outing

The Old Timers Club held an outing in the Springdale, Mo., park Sunday.

The day was spent swimming and picnicking and a barbecue dinner prepared by the men was served.

Those participating were Mr. and Mrs. Mike Mega, Mr. and Mrs. Steve Venusky, Mr. and Mrs. Michael Kadane, Mr. and Mrs. Casner Skubish, Mr. and Mrs. John Severage, John and Janet Severage.

A lamb barbecue is planned for September at the home of Mr. and Mrs. Mega, 2646 Lincoln avenue.

STORM WINDOWS AND DOORS—GRANITE CITY GLASS CO. TR 7-5409

MRS. JAMES M. STRACK, a bride of Saturday. Prior to her marriage at St. Elizabeth's Catholic Church she was Michelle Lynn Hoy, a daughter of Mr. and Mrs. Clarence L. Hoy, 2309 Lynch avenue.

BOHNENSTIEHL FAMILY WILL HOLD REUNION

The 27th annual reunion of the Bohnenstiehl family will be held Sept. 12 at the VFW Hall, 1234 Vandavia street, Collinsville.

There will be games for all, playing area for the children and prizes.

A basket lunch will be served buffet style and anyone related to the Bohnenstiehl family is invited to attend.

The 1965 reunion committee consists of Mr. and Mrs. Volle Bohnenstiehl Jr., Mr. and Mrs. Ill.

NORTHERN VACATION Mr. and Mrs. Richard Wargin

Mr. and Mrs. Richard Wargin and children, Richard Jr. and John, 3242 Westchester drive, have returned from a vacation in Niagara Falls, Hamilton and Ontario, Canada, and Detroit, Mich.

Richard, Whitsett was his brother's best man, and Lann Crews, the bride's brother, was groomsmen. When they return they will be at home at 2623 State street.

Both young people are graduates of the Granite City high school. The bride is employed by the Public Finance Corp. Mr. Whitsett is an employee of a photo service company.

Miss Crews, Larry Whitsett Exchange Wedding Vows

Miss Lois Ann Crews and Larry D. Whitsett were married Saturday afternoon at Emmanuel Baptist Church.

The bride's parents are Mr. and Mrs. Claude D. Crews, 1542 Johnson road. Mr. Whitsett is a son of Mr. and Mrs. E. David Whitsett, 4004 Vescei avenue.

Rev. Ralph Craycraft heard the vows of the couple at 2:30. A reception followed at the church.

The bride's gown, an Empress Josephine silhouette, was made of crisp imported rayon organza over tulle styled with an oval neckline outlined with Venise lace. The tiny short sleeves were accented with motifs of lace to the shoulders and a deep plait was caught at the front with a petite center bow. A shoulder-length veil of imported silk illusion was held with a heart-shaped crown of pearls and the bridal bouquet was made up of white pom poms, daisies and yellow roses in a cascade.

The bridesmaids were in floor-length sheath dresses of yellow silk crepe with fitted bodices, elbow sleeves and small lace trains attached from the waists. Headpieces were folds of yellow satin ribbon and bouffant illusion fingertip veils. They carried cascades of yellow pom poms.

Miss Cynthia Crews, a sister of the bride, was honor attendant and Miss Jean Luschig was bridesmaid.

A small sister of the bride, Lydia Crews, served as flower girl. She wore a tiered dress of mint green chiffon over tulle and carried a white basket of yellow rose petals tied with green ribbons.

Richard Whitsett was his brother's best man, and Lann Crews, the bride's brother, was groomsmen. When they return they will be at home at 2623 State street.

Both young people are graduates of the Granite City high school. The bride is employed by the Public Finance Corp. Mr. Whitsett is an employee of a photo service company.

Faces Traffic Charge

Colin D. Hahne of 1523 Lindell blvd., was arrested by Venice police at 7:25 p.m. Thursday on a charge of careless driving. Officers said Hahne passed them at a high rate of speed at Main street and Broadway. They radioed Madison police who arrested Hahne at Second street and Madison avenue where he had attempted to make a left turn and blew a rear tire, ending up on the sidewalk on the wrong side of the street.

Crash at Toll Station

Autos driven east with two St. Louisans collided Saturday morning as they approached the McKinley Bridge toll station. Police said the motorists were Edward Paul Tracy and Woodie Harrell. There was damage to the left front of Tracy's auto and to the right front of Harrell's car. Harrell was charged with operating a motor vehicle without a driver's license. His hearing was set for next month.

Collision in Madison

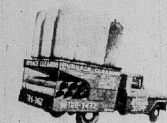

Autos driven by Mary A. Loy of 2300 Benton street, and Rose A. Arnold Sr. of Pochontons, Ill., were damaged in Madison at 6:45 a.m. Friday in a collision at Third and State streets. Police reported the Loy car was headed south and Arnold was driving west on Third street and making a left turn into State street.

EXCAVATION STARTED FRIDAY for natural gas lines to serve the Eagle Park Acres area, climaxing over a year's effort by the Eagle Park Improvement Association. Working on Illinois Power Co. crew (right) is Cleveland Johnson, president of the association.

Gas Lines Being Installed at Eagle Park

In the near future, residents of Eagle Park Acres will have gas available in their homes for the first time. Installation of the long-awaited gas lines was begun Friday by Illinois Power Co.

Cleveland Johnson, president of the Eagle Park Improvement Association, sponsors of the project, told the Press-Record that "we are on the move again to improve the area and benefit Eagle Park residents through our own efforts."

Earlier this year, sparked by the association, and in particular endeavors by Johnson, water lines were installed in the unincorporated community and storm water drainage pipes were laid to alleviate water-logged conditions in a several block area.

Each of the improvement projects is being underwritten by the association, which has received the monthly checks directly to the utility companies involved. Approximately \$6,141 in bills have been made a \$15 deposit to Illinois Power Co. to bring about

the installation of gas lines, which will be installed in any dwelling situated up to 50-feet from the roadway. Owners homes located more than the 50-foot distance will be required to pay an additional footage charge, Johnson said.

In addition to the current gas line project, this week the association purchased a \$473 fire plug unit for use in the area. Eagle Park is provided fire protection service through an agreement with the Venice fire department.

Woman Pleads Innocent

Katherine C. Conner, 47, of 2909 Cayuga street, was charged with criminal damage to property at 9:45 a.m. Friday on a complaint signed by William Conner. She pleaded not guilty, asked for a jury trial and was released on \$200 cash bail set by Magistrate Hiscott.

Missouri or California?

Nicholas R. Bachelin, St. Louis, was arrested at 6:05 a.m. Friday on a charge of improper use of license plates. His car had a California plate on the front and a Missouri plate on the rear. He was summoned for an appearance on Sept. 1.

Two Hubcaps Stolen

Edward Cave, 2449 Hodges avenue, reported at 2:35 a.m. Friday that he saw two persons take two hubcaps off his 1955 auto parked at his home.

Six Bicycles Stolen, Theft Rate Mounting

Five bicycles were stolen Thursday and one on Friday as the bicycle theft rate in Granite City continued to mount this month. Thirteen such thefts were reported earlier in the month.

William Boyd, 2400 State street, reported that while his son was riding his 20-inch blue and white bike Thursday afternoon, another boy stopped him, took it and rode away, leaving his own dilapidated bicycle at the scene.

Two girls' 20-inch blue and white bikes were taken from the front yard of Ward Woods, 2636 East 27th street, during the night. Bob Slattery, 2455 Belmont avenue, reported that a boy's 20-inch black bicycle was stolen from the front of Johnson's Music store, 3920 Edison avenue, Thursday. Richard Shrum, 1424 Eighth street, Madison, reported at 10:05 a.m. Friday that his black and white bike, equipped with a generator for his lights, was stolen from the YMCA while he was in a swimming class. A girl's 20-inch blue and white bike was taken from the yard of Mary Creanor, 2652 East 27th street, Wednesday night.

Legion Post 307 Opens New Membership Drive

Venice-Madison American Legion Post 307 has opened its annual membership drive and Robert Douglass was named chairman by Charles Austra, post commander.

The post has a goal of 380 members, and a Nov. 1 deadline was set to permit the post to devote more time and effort to its community service programs, Austra said.

Membership teams now are accepting dues payments and are urging members to become "early birds" as the post is seeking "early bird" honors from the national organization.

War-time veterans of Venice and Madison were invited to join the post. Eligibility dates are April 6, 1917, to Nov. 11, 1918, for world war I; Dec. 7, 1941, to Sept. 2, 1945, for world war II and June 25, 1950, to July 27, 1953, for the Korean war.

Local Doctor, Hospital Named in \$25,000 Suit

A local doctor and St. Elizabeth Hospital were named defendants in a \$25,000 suit filed Friday in Madison county circuit court.

The complaint alleged that Dr. Jacob Schermer performed surgery on George Gregus, his patient, on June 29 and failed to conduct proper tests and x-rays prior to surgery, that the hospital employed negligent or incompetent x-ray technicians and that the doctor failed to interpret data properly. Gregus claimed his gall bladder condition worsened and corrective measures were costly.

Parked Car Damaged

Robert Woods, 22, stationed at the Granite City Army Depot, reported to Madison police at 4:15 p.m. Thursday that the front bumper of his car was damaged while the car was parked in the 700 block of Iowa avenue. The other car left the scene, police reported.

Speeding Charge

A charge of speeding at 35th and State streets was placed against Charles Keol, 163 Walnut street, Venice, who was arrested last night by Granite City police. A hearing was set for Aug. 27.

Surprising Answer On Burglar Call

An early morning call at 4:30 today alerted police that a possible theft was under way at a laundromat in a shopping center at Nam-cold road and Victory drive.

The caller told police a boy was pounding on one of the machines in the laundromat.

Officers found a boy there. He said he was waiting for a buddy to go fishing and that he had a coin stuck in a soda machine.

Three Autos Damaged, One Driver Charged

Three cars were damaged about 8:40 p.m. Saturday in an accident at Fourth street and Madison avenue. Two of the cars were parked.

Martin V. Craig, 38, of 1410 Fourth street, told police his auto was being pushed by another car east across Madison avenue when the bumpers slipped and the Craig auto jerked and then swerved to the right.

Craig's auto hit the parked auto of Howard Lee Spiller, St. Louis, knocking it into the parked auto of Alex Kestelco, 1662 Third street. Kestelco's car was knocked over the curb.

Craig was charged with reckless driving.

Hospital To

(Continued from Page 1.)

physician was forced to discontinue working at the hospital because foreign-exchange physicians are limited to their original assignment.

Means of financing the employment of alien physicians under the new amendment were discussed, including contributions from industry in the area, and writing the physicians salary by the hospital which would be reimbursed through collection of fees; possible help from the municipalities of Granite City, Venice and Madison, and possible subsidy from physicians and the hospital. No definite method of financing was determined, pending a further study of potential income.

In a discussion of the source of such physicians, Dr. Wieman told the group he believed there would be no difficulty at all in securing a number of applicants. He said there is a surplus of such physicians in the St. Louis area, many of whom would be glad of an opportunity for such emergency room assignments.

Prefer Full Coverage
Sister Mary Thomas said that in consideration of any program it would be preferable that emergency room coverage be provided "around the clock."

Members of the committee agreed that the authority to bring in alien physicians would be "a boon to the community" in providing expanded coverage at the hospital emergency room. It was pointed out, however, that even after applicants are obtained, it will be necessary for the applicant to pass a state examination to qualify for the emergency room assignment. Mayor Portney pointed out that the shortage of physicians is emphasized by statistics showing a total of 150 physicians in Madison county, 75 of which are specialists. This leaves 75 general practitioners caring for 250,000 persons, the mayor said.

In addition to employing physicians under the new amendment, the committee, with the cooperation of Cong. Melvin Price, has been seeking a waiver by immigration authorities of the law requiring foreign-exchange residents to return to their own countries for two years prior to returning to this country for employment, for two physicians. There is the possibility of a third such waiver, Hoei-scher said. In such cases, the physicians could be employed by applying the amended law. Committee members are to prepare a financing plan within the next few weeks and meet again in mid-September. Efforts will be made to obtain applicants before an October setting for state examinations.

Weapons Charge

Dale Fisher, 35, of 2136 Bryn avenue, was arrested at 2:50 a.m. Saturday on a charge of unlawful use of a deadly weapon. Police said he was outside his home with a pistol that had one shell in the clip.

Collide at Tracks

Cars driven by Charles I. Thams of 2200 Willow avenue and Ray D. Reynolds of St. Louis were damaged at 2:45 a.m. Saturday in a collision at Broadway and the railroad tracks in Venice.

Faces Conduct Charge

Gary Willison, 18, of Rehoboth, was arrested at 4:25 a.m. Sunday by Granite City police who charged him with disorderly conduct.

to the city limits, and between 10 a.m. and 4 p.m. in that part of the city south of Russell streets. The parking bans are to be posted on signs erected by the street department on the two days the streets are to be swept.

Study Radar Costs

The council referred to the police committee a series of cost figures on police radar equipment. The committee is to investigate the possibility of renting the equipment already owned by the city of Madison and report back to the council. Mayor Lee said prices obtained by Police Chief Frank DeWitt show new radar sets can be purchased for \$1295, \$1140, or \$995; that a used set can be purchased for \$330, or a set rented for \$12.50 per week.

Two building permits issued by Building Inspector Arlie Abbott were approved. One permit was for addition of a room and porch to property of John Allan at 1130 Douglas street at a cost of \$1000. The other was for construction of a garage by William Baggett at 1115 Oriole street, at a cost of \$200.

Permission to conduct a "Salor Boy Tag Day" on Sept. 17 and 18 was granted the Navy Mothers Club No. 850.

Mayor Lee announced that a waiver of liability had been signed by Venice school authorities for burning of the old Lincoln School. The building is to be burned by the Venice fire department. Police Chief DeWitt reported that a total of 20 arrests was made by the police department during July. Of these, 27 prisoners were sent to court, resulting in fines of \$380 which was remitted to Venice by the circuit court. Eight were released without charges and five were released to report on Saturdays to the chief of police. Charges were withdrawn in three cases and three others were ordered to leave the city. Two were released to military police in St. Louis, one was released to the Madison police and one released to the Army Depot. In another arrest case the complainant refused to prosecute and in a fourth the charges were withdrawn. One prisoner was turned over to Madison county authorities.

Howells Announce

Birth of Daughter
Mr. and Mrs. Jerry D. Howells, Arlington Heights, Ill., former Granite Cityans, are announcing the birth of their first child, a daughter, Thursday at Lutheran General Hospital there. The new arrival weighed four pounds, 15 ounces and has been named Jody Dee.

Mrs. Howells is the former Frances Kaye Basenden, a daughter of Mr. and Mrs. Howard Basenden, 2703 Center street. The paternal grandparents are Mrs. Myrtle Howells, 2129 Washington avenue, and Arthur Howells, also of Granite City.

Hill-Run Accident

A parked auto owned by Leo Griffin, Rural Route One, was damaged at the right front shortly after noon Friday when it was hit by street car from the Union Star & Refining Co. plant. Griffin was struck by a hit-run auto that backed into it and then left the scene.

Man Faces Two Charges

J. D. Rippey, 32, of 2905 Independence drive, was arrested at 6 p.m. Friday at his home on charges of aggravated assault and disorderly conduct. Bail was set at \$1000 cash or \$10,000 property.

Town Board

(Continued from page 1.)

The grant would permit a reduction of the tap-up fee from \$100 to \$50, and the monthly assessment from \$4.00 to \$3.30.

"The grant would permit the sewer program to be built at a cost comparable to Granite City," Supervisor Briggs, having contacted Congressman Melvin Price, is awaiting for the necessary forms and applications. Naumok township is seeking to be the first application in the nation for the new federal grant.

"The board of town auditors has incorporated into the minutes of its meeting that although the bond issue is for \$100,000, only so much of the balance as needed will be sold after the federal grant is awarded."

Bidding on Construction
"There seems to be a misunderstanding in construction costs and materials. Certain elements are of the mistaken opinion that these contracts will be awarded without bids, the referendum is passed, it will be approximately one year before actual construction can begin. This time will be necessary for detailed engineering so that bids can be sought. Awards will be made according to law — to the lowest bidder."

"Another mistaken belief is that this sewer program will increase your taxes. This is absolutely false. Not one penny will be added to your tax bill. By law, it cannot be added to your tax bill. This is a revenue bond issue to be paid solely from the revenue derived from the users. The revenue will be from tap-up charges and monthly fees. There has been much talk about the lack of bidding and incomplete engineering plans regarding the sewer program. First, the plans submitted have been approved by the agency of the state of Illinois responsible for this. A recent editorial in the Collinsville Herald complimented the thoroughness of the advance engineering done."

The village of Glen Carbon is seeking to extend and expand its present water system invited over 30 bond houses in a three-state bid to build and improve \$100,000 expansion bond issue. The best bids are at 4 1/2, 4 1/4 and 4 1/8.

This is the same rate that the township has, but remember Glen Carbon is an established water system. Naumok township has never had any bond experience. One of the most reputable bond houses in the country, John Nuveen & Co. are willing to underwrite our bonds while others who expressed an interest were willing to bid or underwrite on certain portions and not the entire project."

"It is interesting to note that every agency or organization that is interested in better health and progress supports sewer programs such as this. The purpose of the federal government in providing federal grants in this type of program is evidence that it not only suggests, but encourages programs such as the sewer program."

Sewers today mean growth and progress tomorrow."

Double Trouble Hits Former GC Resident

A weekend of trouble plagued a former Granite City man who was spending the weekend at the Lake of the Ozarks with his family.

Leonard (23) Krisman, son of Ernest Hill of Granite City, had just arrived at the lake with his wife, Sandra, the former Sandra Dore, daughter of Mr. and Mrs. Al Dore of Granite City, when they learned his tavern building in Kansas City had burned down — the work of an arsonist.

The Krisman family decided to stay on at the lake at least for another day, and went for a spin on the lake in the new motor boat they had purchased only two days earlier.

They had with them their three children, and also another couple with three children. The boat hit a log and was badly damaged. Krisman was able to bring it to a dock at O'Hare's Point and there the boat sank. All ten persons aboard managed to get off unhurt.

Auto Window Damaged

Mrs. Irene Barnhart, 2226 Alwood avenue, reported to police Friday morning that vandals broke a window in her auto after 1:30 a.m. Friday when the car was parked at the rear of her home.

Boys Damage Home

Two boys, 4 and 6 years old, admitted to police Friday morning that they had broken glass in a rear storm door and rear window at an empty house at 2012 Ash Avenue. The house is owned by Rozekki Realty Co.

Charged with Speeding

Kenneth Carr, 2148 Barnes Avenue, was issued an arrest ticket in the 2700 block of Benton street by a radar patrolman, who charged Carr with speeding. A hearing was set for Sept. 1.

Man Knocked Off Trestle By Train; Companion Leaps

A trestle off the west end of St. Louis police said the train crew told them the second man jumped. He is Norman Wince, 30.

The double-track trestle is used by freight trains crossing the McKinley Bridge and it formerly was confused by the McKinley Bridge street cars.

Speed of the train was estimated at 10 m.p.h. The fireman, Woodrow Pratt of Edwardsville, told police the men were on the clear track and apparently became confused as the train rounded the curve. Both jumped to the track on which the train was operating.

The two men were walking on the trestle a short distance from the bridge when an 18-car west-bound freight train made the turn off the bridge onto the trestle.

Vincent Scoda, 46, apparently tried to lie down on the ends of the ties and was knocked off by the front of the switch engine.

Veeder, EIU President, To Honor Miss Oros

Nicholas P. Veeder, board chairman and president of Granite City Steel Co., and Mrs. Veeder, and Dr. Quincy Dodson, Eastern Illinois University president and Mrs. Dodson, are among the distinguished guests who have accepted invitations to attend the reception and buffet dinner-dance, set for Sunday to honor Miss Kathy Oros, the reigning Miss Illinois.

Gov. Otto Kerner's acceptance was announced last week by James Burton, GC-Jaycee president, who said approximately 150 Jaycees, their wives and guests will attend the affair in the "500 Room" of the Tri Mor Bowl.

Miss Oros will begin her junior year at Eastern Illinois University this fall. For the past three summers, she has been employed in the offices of the local steel firm.

Hill-Run Accident

An auto driven by Gary G. Holman of 2204 Lee avenue, was damaged at 1:50 a.m. today in the 800 block of Madison avenue when it was sideswiped by another car. Holman told police he was headed north on Madison avenue, when the driver of the other car sideswiped his auto on the right side, then drove away.

Optimists Told How to Catch Fish by Hand — 'Noodlin'

The art and skill involved in catching fish by hand, referred to as "noodlin", was the topic of Earl Lee, administrative assistant to the Granite City superintendent of schools, who addressed a luncheon meeting of the Granite City Optimist Club, Thursday noon, in the YMCA.

Lee told of his experiences while using the unusual fishing method during his boyhood days in the creeks and streams near his home. Many times, the school official related, he was able to catch a sackful of fish on a single outing.

The guest speaker, a member of the Granite City Toastmasters' Club, was introduced by Don Z. Farrington, program chairman. Edward L. Stone, Optimist president, was in charge of the business session.

Members heard plans for the club's annual "play-day", which starts at 2:30 p.m. Thursday at the home of Mr. and Mrs. Farrington on Dunlap Lake, Edinburg, Ill.

Wm. Pratt, Retired

Will Foreman, Dies

William A. Pratt, 65, of 2917 Washington avenue, died about 5 p.m. yesterday at the Missouri Pacific Hospital in St. Louis, where he had been a patient for two weeks. Although ill with cancer for the past 16 months, definite cause of death has not yet been determined.

Born in Hettich, Ill., Mr. Pratt resided in Granite City about 27 years. Prior to his recent illness, he was a foreman with Illinois Terminal Railroad and had been employed by the railroad 40 years. He was a member of the Third Baptist Church.

He is survived by his wife, Mrs. Bonnie Pratt; a daughter, Mrs. Twila Jean Woodward of Rural Route Four, Edinburg; two sisters, Mrs. Mabel Quarten, Palmyra, Ill., and Mrs. Lucille Matthews, Girard, Ill.; a brother, Woodrow E. Pratt, Edinburg; and two grandchildren.

Funeral arrangements are given in today's obituary column.

2 Goldfish Came From Aquarium

An answer to the source of two goldfish found in a driveway puddle after last Wednesday's showers was supplied by Mrs. Thomas Bridick, 2410 Bromley avenue, next-door neighbor to the Brian Kelly family boys who found the fish.

Mrs. Bridick said two goldfish of the same size were missing from her aquarium on the back porch. She said she got the fish two years ago when the park district emptied ponds at Wilson Park.

When she tried to get the fish back Friday, she was told both had died. Mrs. Bridick told the Press-Record.

Red Cross Offers Careers to Women

Young women seeking career opportunities are urged to consider the challenging hospital recreation field now being expanded by American National Red Cross to meet current needs in military installations at home and abroad. Mrs. Ruby H. Overbeck, executive secretary of the Tri-City Chapter, said Friday.

"More recreation workers are needed by Red Cross to serve in the United States and overseas," Mrs. Overbeck said, "and applicants will find this opportunity to serve others satisfying as well as rewarding. Red Cross recreation workers on duty in military hospitals work with patients in recreation activities such as creative arts and crafts, dramatics, social programs, music, games and hobbies."

Applicants are particularly needed now for hospital assignments at military installations in the United States, according to Mrs. Overbeck, but worldwide mobility is also a requirement for employment in the recreation program. Applicants must be between 21 and 35 years of age. A college degree with specialization in arts, crafts, drama, music, recreation, or a related field is preferred. Recreation workers receive periodic salary increases, group insurance, generous vacation and sick leave, uniforms and retirement and social security benefits.

Six Drivers Arrested As Police Use Radar

Six drivers were arrested on speeding charges Thursday as police operated their radar unit on Madison avenue and at 1300 Edwardsville road.

Facing the charges are David B. Potts, East 23rd street and Nameski road; Alex T. Hood, Troy; William H. Heath, 2720 Sunset drive; Odell L. Rabon, 2817 Edgewood street; Walter A. Wolheim, Belleville; and Joseph Kichler, Rural Route One.

Man Fined \$25, Costs

C. of C. Members to Tour 4 Madison County Farms

Members of the Tri-Cities Chamber of Commerce will make their first visit to the Howard Kaseberg farm on Route 111 east of Ponton Beach, to demonstrate the operation of a grain and beef cattle farm.

Other stops of the itinerary will include William Keller's farm on route 137 near Collinsville, a representative of the Madison County Farm Bureau will provide lunch on the farm, Elmer Page's farm on Poag road will provide the cometary during the tour, and the stopovers at the hybrid hog breeding farm, four farms.

Memorial to Stevenson Aug. 26 at World's Fair

A memorial tribute to the late Adlai Ewing Stevenson will be held at the Illinois Pavilion at the New York World's Fair on Thursday, Aug. 26.

Gov. Otto Kerner will head the attending delegation of Illinois officials and representatives of the Illinois State Historical Society, along with members of Stevenson's family and close friends.

This will be the first memorial of its kind at a World's Fair. Special guests from the New York area and from throughout the nation will attend.

A new display of original Stevenson documents will be put on

public exhibition by Borden Stevenson in the name of the family. The documents and memorabilia will include examples of Gov. Stevenson's state, national and international influence and will illustrate his keen wit and eloquence. A special committee of historians is consulting with the Stevenson family in making the appropriate selections.

Gov. Otto Kerner, who served in the Army in 1951, is a member of Stevenson's state, national and international influence and will illustrate his keen wit and eloquence. A special committee of historians is consulting with the Stevenson family in making the appropriate selections.

Statistics Show Affect Of Draft on Marriages

Apparent influence of the announced doubling draft quota on marriage licenses during July in Madison county.

A report of vital statistics for the month, issued by the office of Miss Eulalia Hotz, Madison county clerk, shows a total of 308 marriage licenses issued in July. During the same month a year ago only 191 licenses were issued.

The report shows, however, that the number of births dropped off in July. A total of 332 births, 187 boys and 145 girls, was reported for July. The total included one set of twins.

In July 1964, 383 births were reported, including 198 boys and 185 girls. These included three sets of twins.

The number of deaths during July also decreased from 169 in the same month a year ago to 145 last month.

Unit at Army Depot Has Seven Vacancies

The 936 Ordinance Company, an Army Reserve unit located at the Granite City Army Depot, announced today that it currently has seven vacancies for non-prior servicemen.

Young men, without previous service, who desire enlistment in the U. S. Army Reserve, may obtain information by calling at the unit Orderly Room Building T-121, at the Depot.

Service in the reserve offers young men an excellent opportunity to fulfill military service obligations and continue to pursue civilian careers or schoolings.

The 936th Ordinance Company is an Automotive Repair unit and most of the personnel assigned to the unit are automotive mechanics, or craftsmen in the automotive repair field, such as Body Repairmen, Welders and Machinists.

"You do not have to be qualified in one of these crafts prior to enlistment, but will be trained by the Army in these crafts providing results of aptitude tests show that you have talents for these crafts," a spokesman said.

Unmarried men with no dependents are considered to be very desirable for enlistment, however, married men with only one dependent may enlist if they so desire.

Mitchell Nears Lead in Inter-City, Hearts Lose

Mitchell A. C. climbed to within a game of first place in the Blue Division of the Southwestern Illinois Inter-City League Sunday by defeating Mercer's on a one-hit shutout, 4-0, hurried by Terry Brown at Mitchell.

Pocahontas, division leader at 11-7, lost to St. Clair Heating 6-1 to permit the Heaters to move up to a half game of the lead.

In other games, Maryville AC defeated Sacred Heart 6-4 at Wilson Park as the Hearts remained in the Red division cellar. They edged the Polish-American War Veterans 2-1 and the Red division leading Maryville.

Red Sox outlast Collinsville for an 11-7 victory.

Brown gave up his only hit in the fourth inning, a single by Rich Branding, while fanning six batters and walking five. Mitchell came up with seven hits and scored two runs in each of the third and fourth frames.

With two out in the third inning, Glen Hoffman, Dave Sparks and Jim Frazier slammed successive hits. Then in the fourth, Steve Schardan walked, Pat Schuman was safe on a fielder's choice, catcher Keith King was safe on an error and Brown and Hoffman followed with safeties. Mercer threatened in the eighth inning when Rich Lee and Decho Angeloff, Club Delmar, short center field.

Hoffman had a perfect day at the plate with three hits. He walked in the first inning, his only other time at bat.

Howard Harris started the game for Mercer, being relieved in the fourth by Bruce Thompson.

Score by innings: R H E
Mercer 000 000 000 4 7 0
Mitchell 002 200 000-4 7 0
Harris, Thompson (4) and Smith Brown and King.

All Star Team

An all-tournament All Star team, including four players from the state champion Polish Hall squad, was selected after the end of the Illinois State Slow-pitch Softball Tournament at Wilson Park Sunday night.

The All Stars are Frank Modrinski, Polish Hall, pitcher; Bob Garin, Polistaffs, catcher; Chuck Weiss, Falstaffs, first base; Bob Simpson, A-C Contractors, second base; Ray Jones, Polish Hall, third base; Duke Friend, Polish Hall, shortstop; Frank Hides, A-C Contractors, left field; Sam George, Polish Hall, center field; Frank Hall, center field; Polish Hall, right field; Decho Angeloff, Club Delmar, short center field.

The cigarette-related respiratory diseases are chronic bronchitis, emphysema and cancer of the respiratory system. A National TB Association study shows increases in average annual deaths from all these diseases between 1953-57 and 1960-62. During these five years the increases were:

chronic bronchitis up 51.4% (from 2148 to 3251), emphysema up 130.3% (from 4615 to 10,830), respiratory cancer up 31.9% (from 32,002 to 42,195). The average annual deaths from all these combined went up 44.7% (from 28,765 to 36,076) in 1960-62.

Power Mower Mishap Hospitalizes Local Man

James Cochran, 48, of Rural Route One, was admitted for observation and x-rays Thursday evening at St. Elizabeth Hospital after he slipped from a lawn mower he was riding and severely cut his right great toe and sustained other foot injuries. Also admitted was Mrs. Janet C. Hoerner, 30, of 512 Washington avenue, Venice, whose left ankle was bruised and swollen from a fall the previous day.

Others given treatment Thursday for injuries suffered in falls, included: Jan Whitworth, 6, daughter of Mr. and Mrs. Lloyd Whitworth, 3222 Windsor drive, who had eight sutures taken in her chin; James Harlen, 8, son of Ray Harlen of East St. Louis.

Harry Ronney, 73, Dies of Heart Attack

Harry Ronney, 73, a retired chauffeur who lived in Granite City 65 years, died in St. Elizabeth Hospital at 10:15 a.m. today, two hours after he suffered a heart attack in his home, 2141 Grand avenue. He had not been previously ill.

Mr. Ronney was born in Boone, Mo. He was a member of the Second Baptist Church, Masonic Lodge 877 and Modern Woodmen of America. He is survived by his wife, Naomi Ronney; a son, Duwood of Indianapolis, Ind.; two daughters, Mrs. Rosalie Jenkins of Granite City and Mrs. Norma Jane Ferrara of Pretoria Station, N. Y.; three brothers, Thomas of San Rosa, Calif., Orville of San Diego, Calif., and Samuel of Brandon, Ill.; nine grandchildren and four great-grandchildren. Funeral arrangements are given in today's obituary column.

Rev. Colquhoun Wins Rotary Golf Tourney
Rev. Harry B. Colquhoun, pastor of the Madison First United Presbyterian Church and a member of the Madison Rotary Club, was the winner of the individual low score trophy in Rotary District 646's annual golf tournament held Thursday at the Sunset Hills Country Club.

Approximately 200 representatives of 11 Rotary clubs, including the Granite City chapter, participated in the annual classic, which saw the Collinsville Rotarians capture the team trophy. Also among the competitors were four teams from the Springfield and Maitton clubs.

Rev. Colquhoun, the only member of the Madison club to enter the 18-hole contest, shot a gross score of 77 for a low net total of 66. The trophies were presented at a dinner later the same day.

Granite City Rotarians entered in the tournament were Ralph Morris III, Chris Paschoff, Vince Biechoff, E. A. Karandeff, Arthur Koepfer and James C. Louis.

Won't Balance
Almost anyone can keep an expense account today, but it takes a real genius to make it tally with the cash.

Aggressive
If all men were placed on an equal footing today it wouldn't be long before one-half was pulling the other half.
